

# FICRA Labor Day Festival featuring The Brothers Four

## Mail in Admission Form

The Brothers Four were pioneers in the "folk revival", one of best known and most popular groups still performing today. Their first American gig, after returning from international performances, is right here on Fox Island at the Nichols Community Center. The Ranger and Re-Arrangers are a Seattle "Gypsy Jazz" band and have been a Fox Island favorite. The Car Show is put on by the Fox Island Car Club.
